What is Pickleball?

Pickleball is a paddle sport that combines elements of badminton, tennis, and table tennis. Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a Wiffle Ball, over a net.

Pickleball was invented in the mid 1960s as a children's backyard pastime but has become one of America's most popular growing sports among all ages. Join the Senior Center for Pickleball Tuesdays and Thursdays from 8:00 a.m. to 11:00 a.m.
