# NEWS RELEASE

For Immediate Release: 10/20/2020

## City of Beaumont to Host Parking Study Community Meeting on October 28

Beaumont, CA — The City of Beaumont, in partnership with the Southern California Association of Governments (SCAG), will host a parking study community meeting on October 28, 2020 at 5:30 pm. The meeting is open to the public and will be conducted virtually via Zoom and with telephone dial in options available. The presentation will begin at 5:30 pm and will repeat at 6:15 pm. Both presentations will be followed by a Q&A session.

Over the past five years, employment levels have increased, and local businesses have thrived in the City of Beaumont, making this city a highly desirable place to live. With this growth, both commercial and residential parking have experienced increased usage. As a result, the City of Beaumont and SCAG are conducting a parking study to analyze current parking conditions and determine parking development needs, new parking standards, and future strategies. The parking study aims to help the city look at parking as a service that is responsive to the needs of each affected neighborhood and corridor, which is why public input is important. This study will become the guiding document used for future parking planning and development for fast-growing Beaumont.

The public can join the virtual meeting on Zoom by entering the **Meeting ID: 970 0016 9252** on Zoom.com or by visiting the link: <https://bit.ly/3nrzoYw> at the time of the meeting. Attendees can also join by phone by dialing: **1 (669) 900-6833** and entering the **Meeting ID: 970 0016 9252**.

If unable to attend the meeting, comments may be submitted at: <https://bit.ly/2HUCWCI>. For questions regarding the study, please contact the project team at [ParkBeaumont@arellanoassociates.com](mailto:ParkBeaumont@arellanoassociates.com).
