As a resident of Beaumont for 13 years I've watched the city change dramatically, and I'm willing to fight for our quality of life and the right type of future with safe neighborhoods and community. I believe I can bring a fresh outlook to the City Council and provide a more resident-oriented solution.

I am well qualified for this position. My education includes a minor in Accounting from Cal State San Bernardino, a BA in Psychology from Cal State Fullerton, and an MA in Government from Claremont Graduate School. Professionally, after a career as a Real Estate and Property Appraiser, I've taught Government classes at Southland community colleges. Since moving to Beaumont, I've become involved in the community and local and regional issues as a member of the Pass Action Group, Transportation Now, and the Sierra Club.

The most pressing issues that need to be addressed include: traffic, warehouses, appropriate land use, support local business, type of growth, education support, natural and open space protection, added recreation and family oriented community facilities, transit. Citizens need to have confidence that their needs, for housing, safe neighborhoods, jobs and education will be met.

Thank you for your vote.
