My first month in office, I worked with the District Attorney and FBI, eventually winning felony convictions of five corrupt City executives. I helped lead Beaumont out of economic collapse.

We established a strong fiscal resiliency, turning \$11 million deficit into a \$17 million surplus. Bringing retail and E-commerce businesses and jobs to Beaumont, doubling sales tax revenues. Restructured the CFD program, reducing taxes \$4 million for 12,000 homeowners.

Getting finances in order enabled council to focus on infrastructure and public safety.

We created Beaumont's first streets maintenance department; paving or rehabilitating 152 lane miles. We constructed the Potrero interchange and upgraded the sewer plant to deliver recycled water. We added 3 motor officers to a fully staffed Police Department to improve traffic enforcement.

Our work is not done.

- Construction is underway on the Westside Fire Station #106.
- The Westside Police Headquarters is in the design stage.
- Construction on widening Pennsylvania begins this year.
- Working with Riverside County Transportation Commission (RCTC) on a Highland Springs interchange upgrade.

As RCTC's 2nd Vice Chair, becoming Chair in 2024, I will bring County resources to focus on our traffic issues.

I ask for your trust and vote to complete what we started.
