City of Beaumont Embarks on Parks Master Plan Journey

Beaumont, CA—A new chapter begins for our residents as the City of Beaumont launches its Parks Master Plan initiative. As we elevate Beaumont Parks together, we are committed to making our community a vibrant, healthy, and inclusive place to live and play.

Resident involvement is paramount in shaping a comprehensive plan and the future of our parks. We encourage everyone to share their ideas and priorities, ensuring the Parks Master Plan truly reflects the needs and aspirations of our diverse community.

“Together, we can shape our future where every park tells a story,” said Mayor Julio Martinez III. “Collectively we can create a roadmap and shared vision for the future of our parks, recreation, and community services.”

Please join us at the following public meetings as we start the process of updating the Beaumont Parks and Recreation Master Plan. Your insights and feedback are essential in ensuring that our parks evolve to best serve all residents, both now and in the future.

Upcoming Community Meetings:

- Monday, October 23 | 6:00 p.m.
Albert Chatigny Sr. Community Center, 1310 Oak Valley Parkway
- Tuesday, October 24 | 6:00 p.m.
Beaumont Civic Center | 550 E. Sixth Street

Explore the wonders of our new Parks and Recreation website, www.bmtparks.com. Scour events, facilities, and all things recreation.
