## City of Beaumont Launches Website Redesign to Enhance User Experience

**Beaumont, CA**— The City of Beaumont is excited to announce the launch of its newly redesigned website, marking a significant step in the City's commitment to providing exceptional online services.

This user-focused approach to the website's redesign enables residents, businesses, and visitors to find what they need in fewer clicks, prioritizing content that is highly requested and frequently visited by the community.

Additional key features of the City's new website include:

- **Improved Navigation Menu:** This updated menu was organized to highlight popular topics and streamlined with five new headers – community, government, programs & services, events & attractions, and departments.
- **Additional Quick Links:** These additions make it easier to find information and resources, each offering valuable insights and updates for our community (e.g., “Where’s the Bus?” and “Start a Business”).
- **New Sections:** Learn more about the city in our newest sections – City News & Spotlights and Council Resources.
- **Enhanced Visual Appearance:** Exciting new graphics have been implemented to capture the essence of our city and reflect efforts to modernize its appearance, including the usage of embedded videos and photo buttons depicting imagery of Beaumont.
- **New Interactive Chatbot:** Assistance is just a click away. If you need help finding something, Ask Oakley or Mila!

The launch of the City's new website redesign establishes Beaumont's commitment to providing the best possible experience for residents, visitors, and businesses alike.

By centralizing its re-design to the needs of the user, this ensures they can navigate the site more effectively and locate the information and services needed in just a few clicks. Visit [BeaumontCA.gov](http://BeaumontCA.gov) today to experience the new website!
